DETAILED ACTION

Allowable Subject Matter

1. Claims 1-2 and 6-7 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. None of the reference disclose a LAN connector is connected with a LAN cable connector inserted therein, the LAN connector comprising a flexible portion formed outside a modern cable connector occupied space within a housing having a size accommodating the LAN cable connector being inserted there into and a stopper portion formed within the modern cable connector occupied space. The stopper portion is displaceable together with the flexible portion. When the modern cable connector is inserted into the housing, the flexible portion is not pushed and bent by the member cable connector, and the stopper portion stops the modern cable connector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
